

## Autumnal Updates from St Mark's Hospital Foundation

### Challenge Event Champions!

Massive congratulations to our amazing Royal Park's Half Runners Bethan, Chris, Isa, Jason, Julie, Lydia and Mitch, who took on the 13.1 miles earlier this month in aid of St Mark's.

Thank you to the runners and to everyone who so generously donated in support!

If you are interested in taking part in a challenge event we have spaces up for grabs in the London Landmarks Half Marathon in 2023. Email the team today to secure your spot [info@stmarkshospitalfoundation.org.uk](mailto:info@stmarkshospitalfoundation.org.uk)

**"We finished the race in 3 hours 20mins! Although it was exhausting and physically demanding, it was a fun experience and I am so happy we participated!"**

Congratulations to Dorota and her fiancé Jakub who completed the Barbarian Challenge in Poland in early September, raising £785 which will be used to support a database project at the St Mark's Polyposis Registry which aims to improve equity of access and care for polyposis patients across the country.

Congratulations and a massive thank you to everyone who took part in or supported 40tude's Andrew Edwards Challenge. Collectively, participants have covered a staggering 5,635 miles, the equivalent distance of travelling from Johannesburg to London, coming together to remember Andrew Edwards, a truly remarkable man. They have also been raising awareness of bowel cancer, and funds which will be used to support a dedicated project to train radiographers and increase the accuracy of virtual colonoscopy.

---

**Congrats to our Clinical Colleagues!**

## Stoma Nurse of the Year - 2022 (Collective Team Nomination) **Highly Commended**

Congratulations to our St Mark's Hospital Stoma and Pouch Care Team for winning Highly Commended Association of Stoma Care Nurse (ASCN) UK Stoma Nurse of the Year 2022 Award!

### Polar Moon

Treat yourself this payday weekend to a new stoma cover from Polar Moon. With 10% of all sales from their website being donated to support St Mark's Hospital Foundation, your purchase will fund research, education and innovation at St Mark's, the UK's national bowel hospital.

# Turn the work you do into good.

## 1. Join

It's quick, easy and free to sign up and create an account; where you'll join a community of like-minded purposeful businesses.

## 2. Pledge

Set up your fundraising campaign and create the necessary legal agreement that's needed when you fundraise through your sales.

## 3. Publicise

State at the point of sale (e.g on your website) how funds will be raised and then publicise your campaign to your customers or clients.

Turn the work you do into good! Your business can have a powerful and positive impact, whatever your size. Fundraise through your sales via Work for Good and you can support us in a way that's easy and sustainable for your business.
