

Celebrating International Women's Day

Featuring xxxx

We are excited to announce that St Mark's patient and ambassador Amanda Scott will be releasing her debut piano recital CD this year with proceeds from sales/streams going to St Mark's! The album, 'From The Depth Of My Heart', will feature a collection of solo piano works, each one dedicated to a member of staff at St Mark's, with each piece being selected by Amanda to resemble the personality of the members of staff who continue to care for her. She has already played her programme to a renowned concert pianist and will begin recording over the next few weeks!
