If you are an avid walker, jogger or runner why not test your physical fitness by taking on an Ultra challenge in aid of our charity. With events organised all over the country and events tailored to all levels of fitness, head over to their website to find out more: https://www.ultrachallenge.com/

Alternatively, you can host a community event such as a bake sale, fashion show, raffle, golf day, sponsored silence, hosting a dinner party, donating in lieu of birthday gifts or set up an online Facebook fundraiser to name only a select few.
