

In 2025, we proudly celebrate 190 years of St Mark’s and, in our special anniversary edition of our annual newsletter [Re:Mark’s](#), we honour the hospital’s legacy, our clinical colleagues and, the unwavering dedication of our supporters, whose generosity continues to shape the future of St Mark’s Hospital.

Within the pages of [Re:Mark’s](#), we are delighted to share with you a selection of research projects that your charitable donations help to facilitate. It is also a privilege to share the stories and achievements of our amazing cohort of community fundraisers who have undertaken a host of activities in aid of our charity and specialist hospital

I also want to take this opportunity to communicate my heartfelt thanks to you, our supporters. Together, we are building a strong Foundation, supporting research, education and innovation at St Mark’s.

Thank you,

Jason Bacon  
Chief Executive  
St Mark's Hospital Foundation

One family's St Mark's Story...

For St Mark's Research Fellow and Colorectal Surgeon Mr Orestis Argyriou, St Mark's is more than a hospital; its importance transcends the brick and mortar, occupying an emotionally significant place in his life and that of his maternal grandfather, Nikolaos Dimakopoulos.

Within the pages of [Re:Mark's](#) read about the emotional connection between Orestis and the hospital he now calls his professional home- it is a story of resilience, hope and how for this one family, Orestis working at St Mark's feels as through they have come full circle.
